

5. Correspondence

- (i) Ben Maunder had contacted the CCA with a request to use the fields for an Easter Egg Hunt.
Ben outlined his plan of creating a small map which would lead families along a trail and a worksheet. The children would all receive an egg regardless of level of completion.
Ben would place notices along the trail starting on Friday 2nd April and finishing on 12th April, when the Library reopens after Covid restrictions, and participants can collect their egg.
Ben had received a £20 voucher from Tesco to get Easter eggs and the CCA committee donated £100 and would advertise the event on Facebook and around the fields.

This is being looked into.
